

# Powerful Digital Marketing

We promote your home on the most popular digital sites to attract high-interest buyers.

Other sites include:

...and thousands more!

CHALK Digital identifies high-potential local buyers through a combination of their past online viewing habits (mortgage calculators, home listings, and others) and other data scoring criteria.

We place these ads where home buyers shop – on select online sites and mobile applications.

CHALK Digital provides regular reporting to your agent on advertising placements.
